# Instructions for making Tumble Down Pictures

**You will need:**

1. Safety scissors
2. Pritt Stick or paste
3. Sellotape to make strips for hinges
4. Colouring pens or crayons

**To make:**

1. Cut out each picture keeping the title and the ‘Place Here’ box where they are

2. Cut out the text at the side of the picture and paste in the "Place Here" box

3. Colour your picture

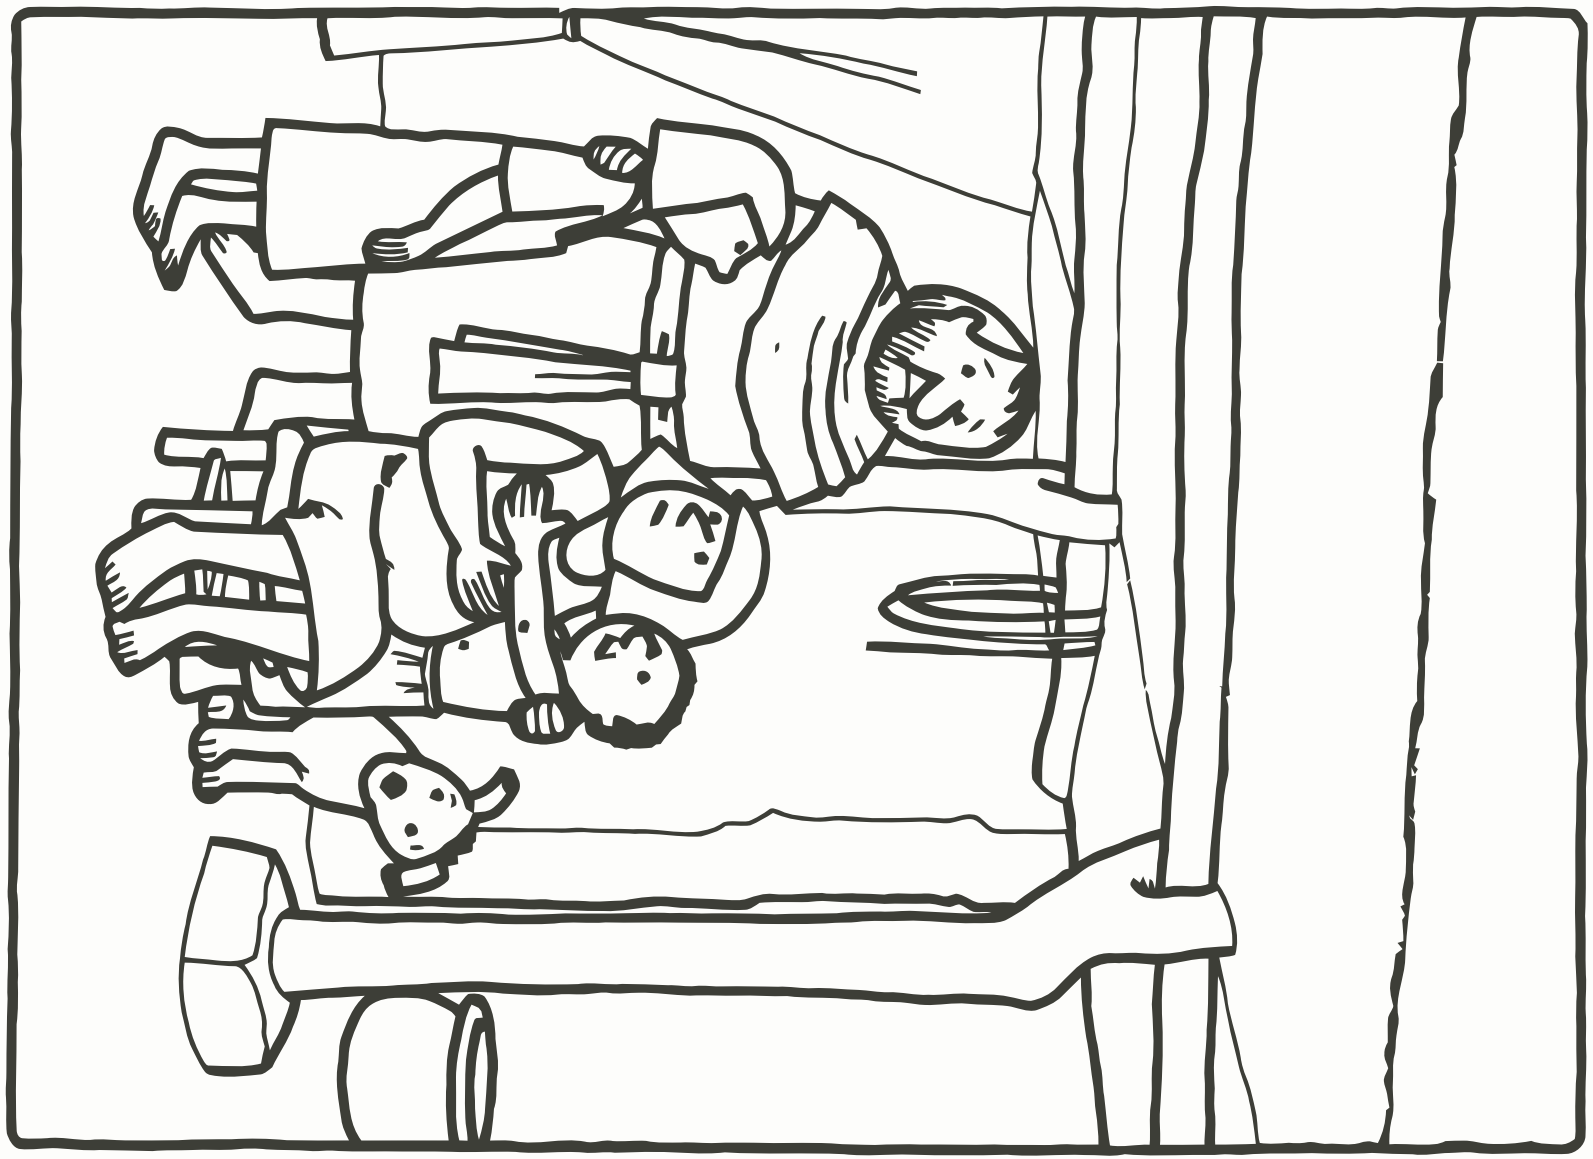
4. Now do this to the rest of the pictures in the story

5. The pictures are now to be joined together with small strips of Sellotape as hinges. Page one to the bottom edge of the cover page, Page two to the bottom edge of Page one, Page three to the bottom edge of Page two and so on until all the pictures are joined in one long strip.

6. Fold the pictures up from the bottom, using the Sellotape hinges one on top of the next until front cover is the only picture on show.

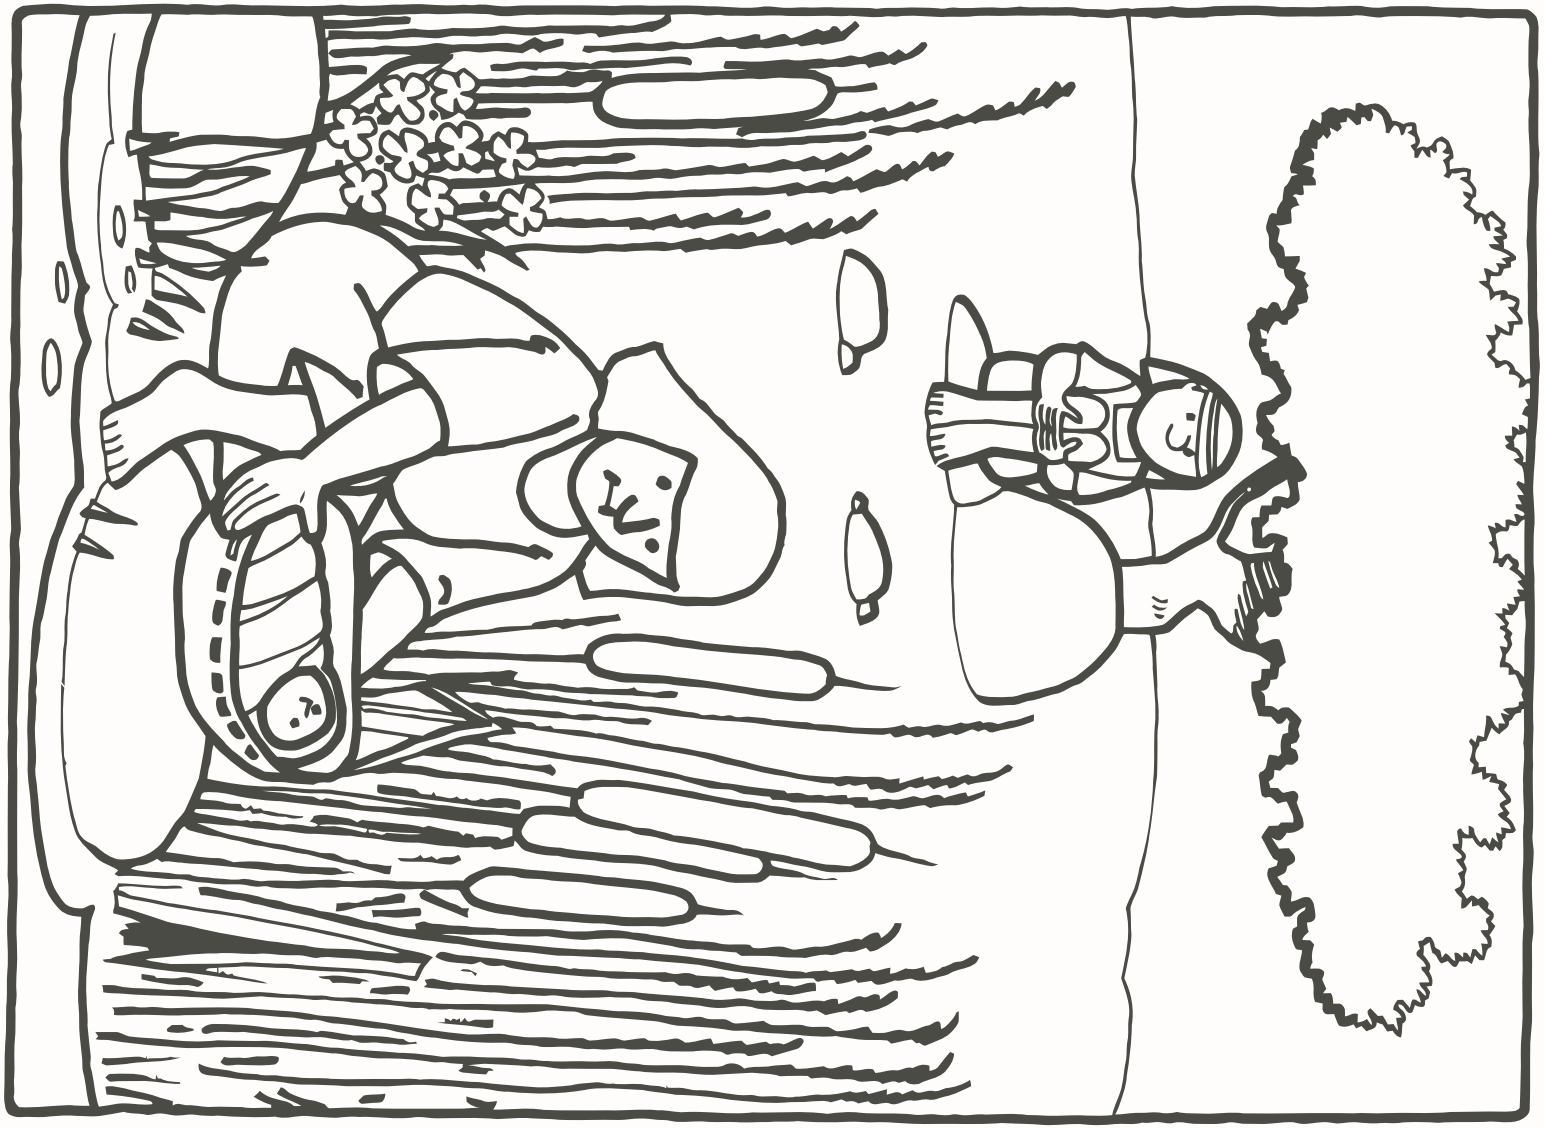
7. Hold up your strip by the top cover and let go of the pictures behind, keeping hold of the top cover. The pictures should tumble down showing a great colour story!

TUMBLEDOWN



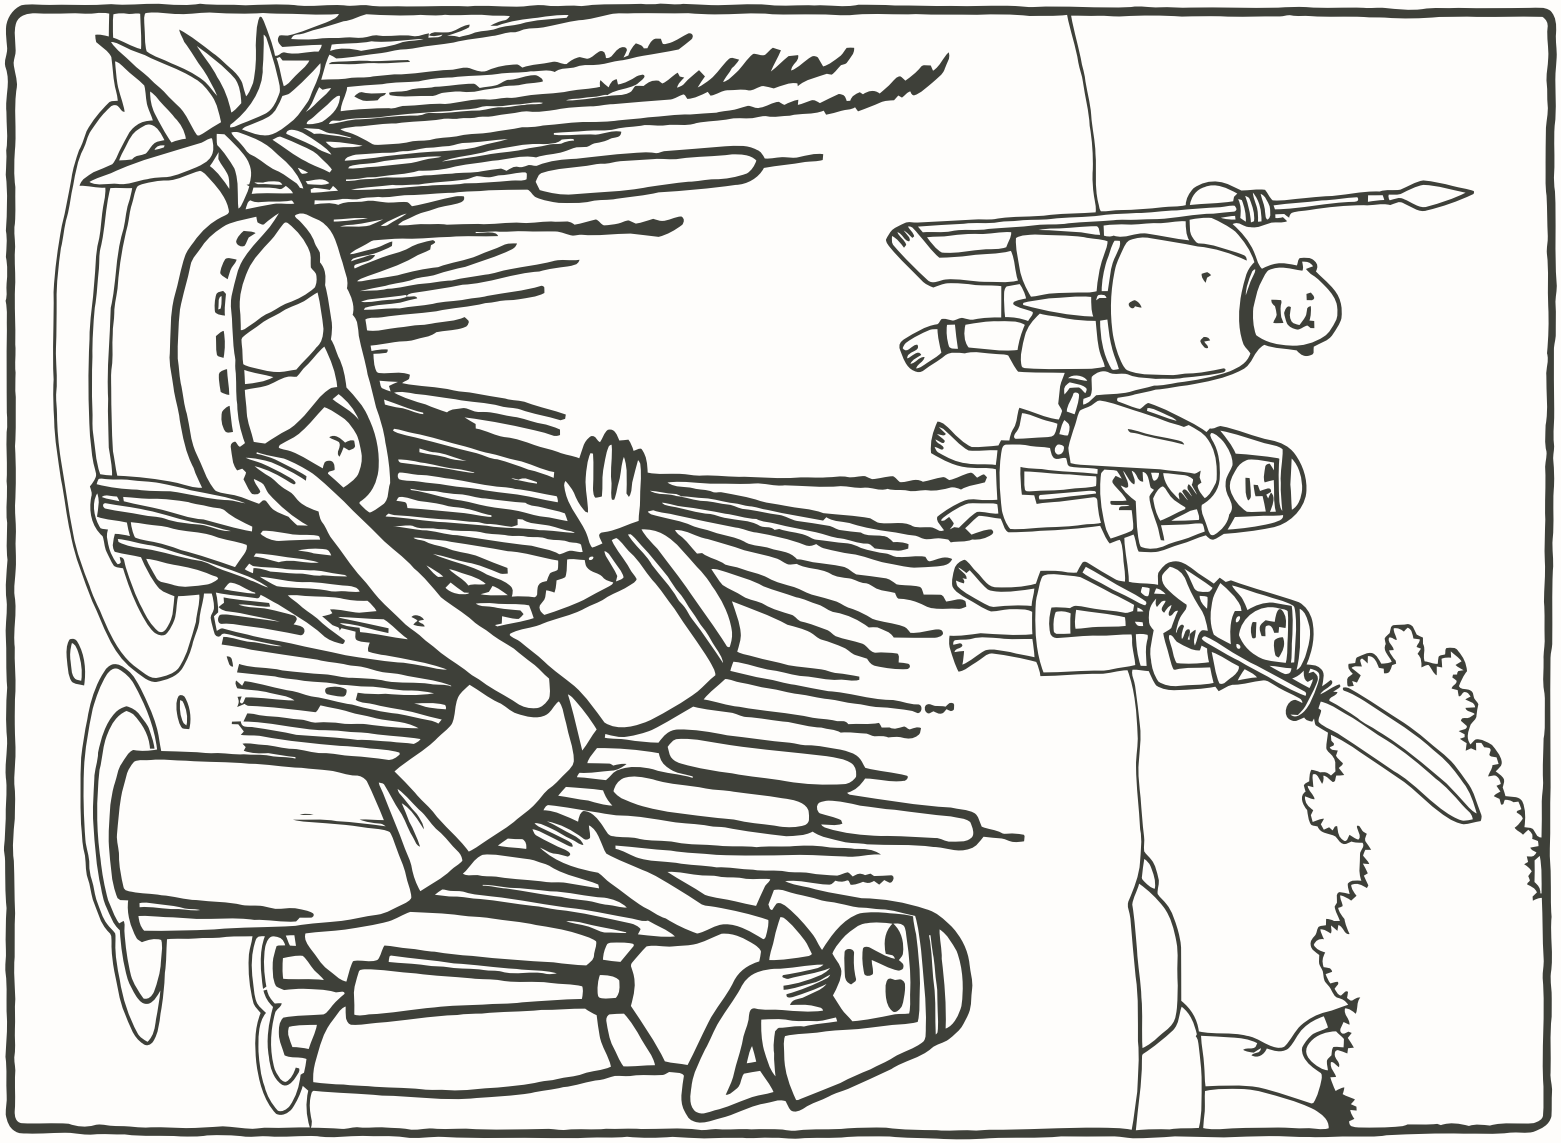
Place Here...

Pharaoh had decided to kill all the Hebrews' new born baby boys. A Hebrew family living near the palace were worried; Amran and his wife Jochebed were expecting another baby.



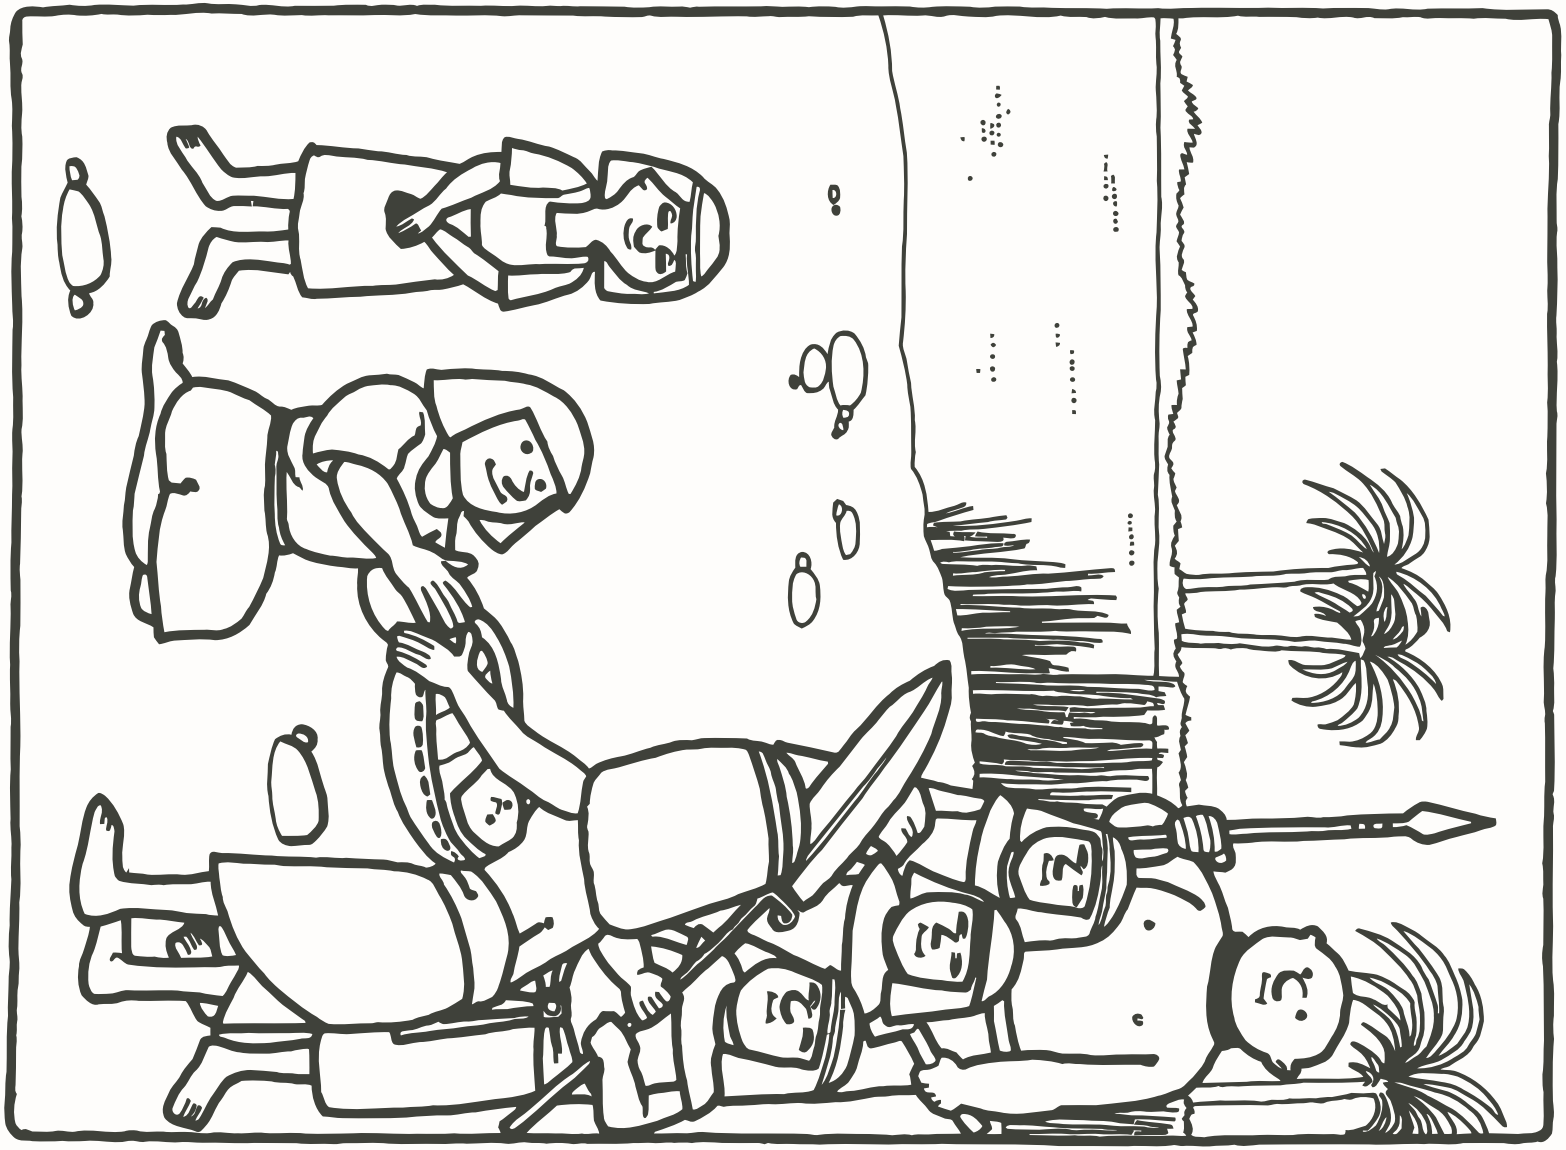
Place Here...

Jochebed tried to hide the baby everywhere but eventually she could do so no longer. So she made a beautiful basket for him and laid it among the bulrushes at the side of the river.



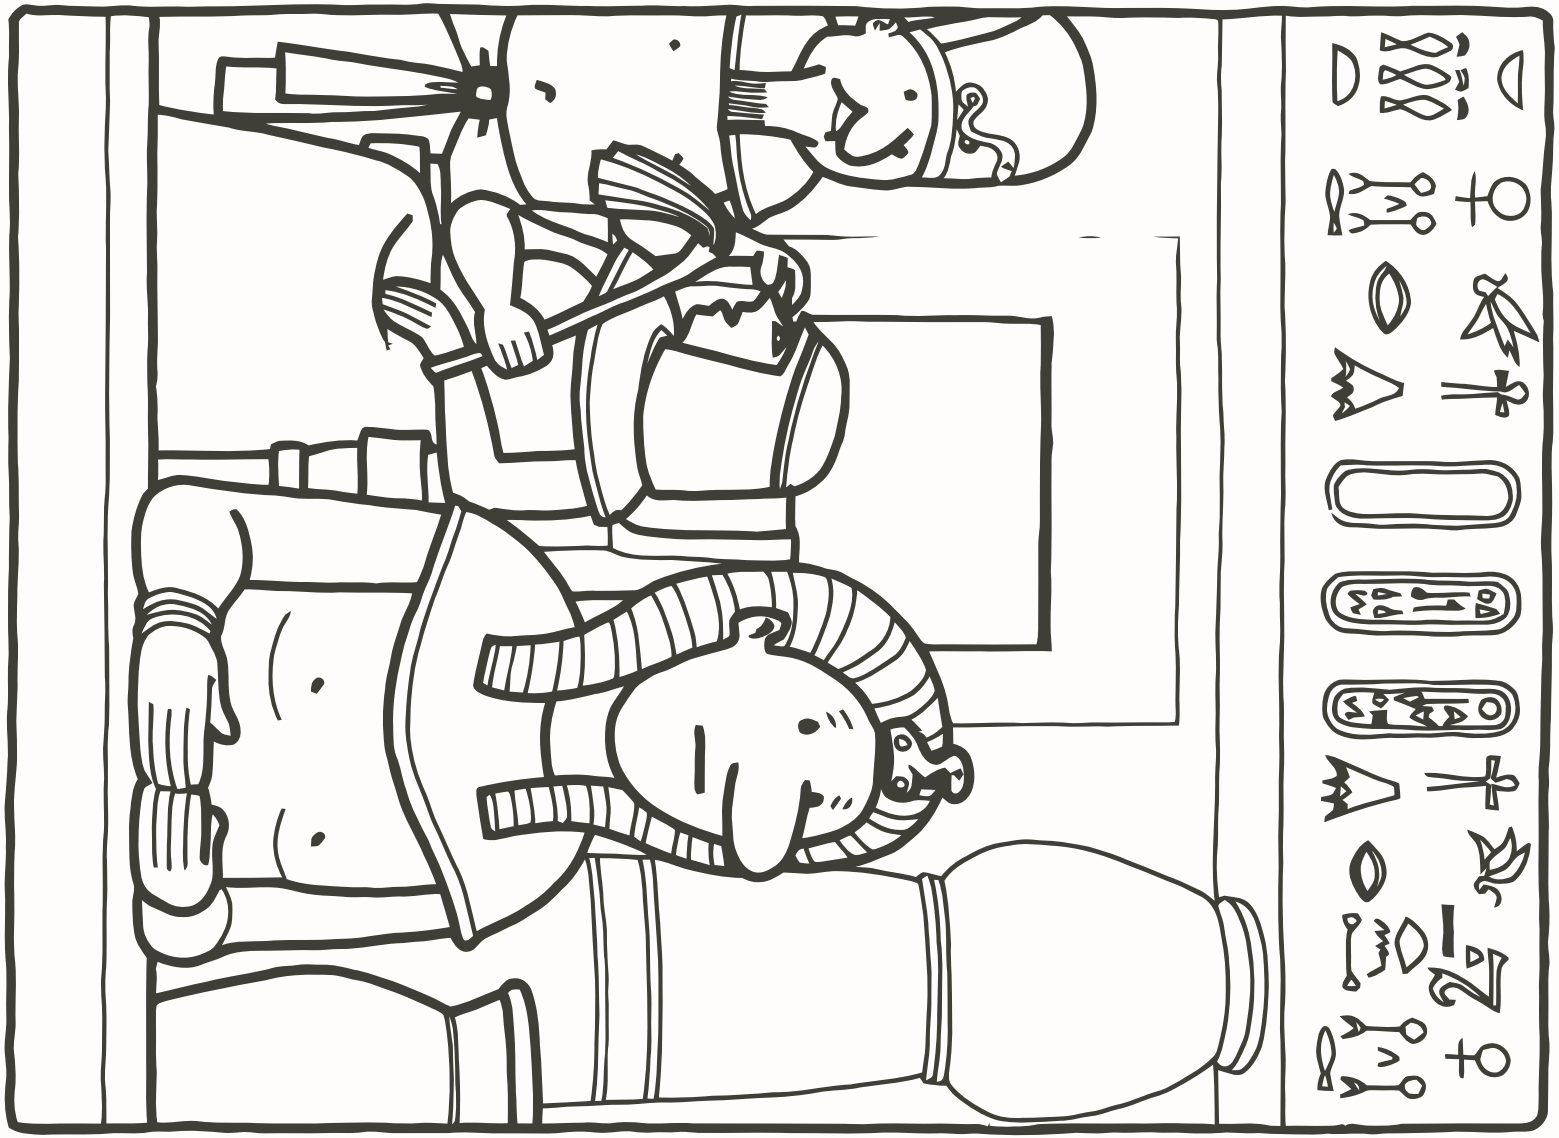
Place Here...

The princess was bathing in the river and found the basket. "What a beautiful baby", she said. "He must belong to a Hebrew".



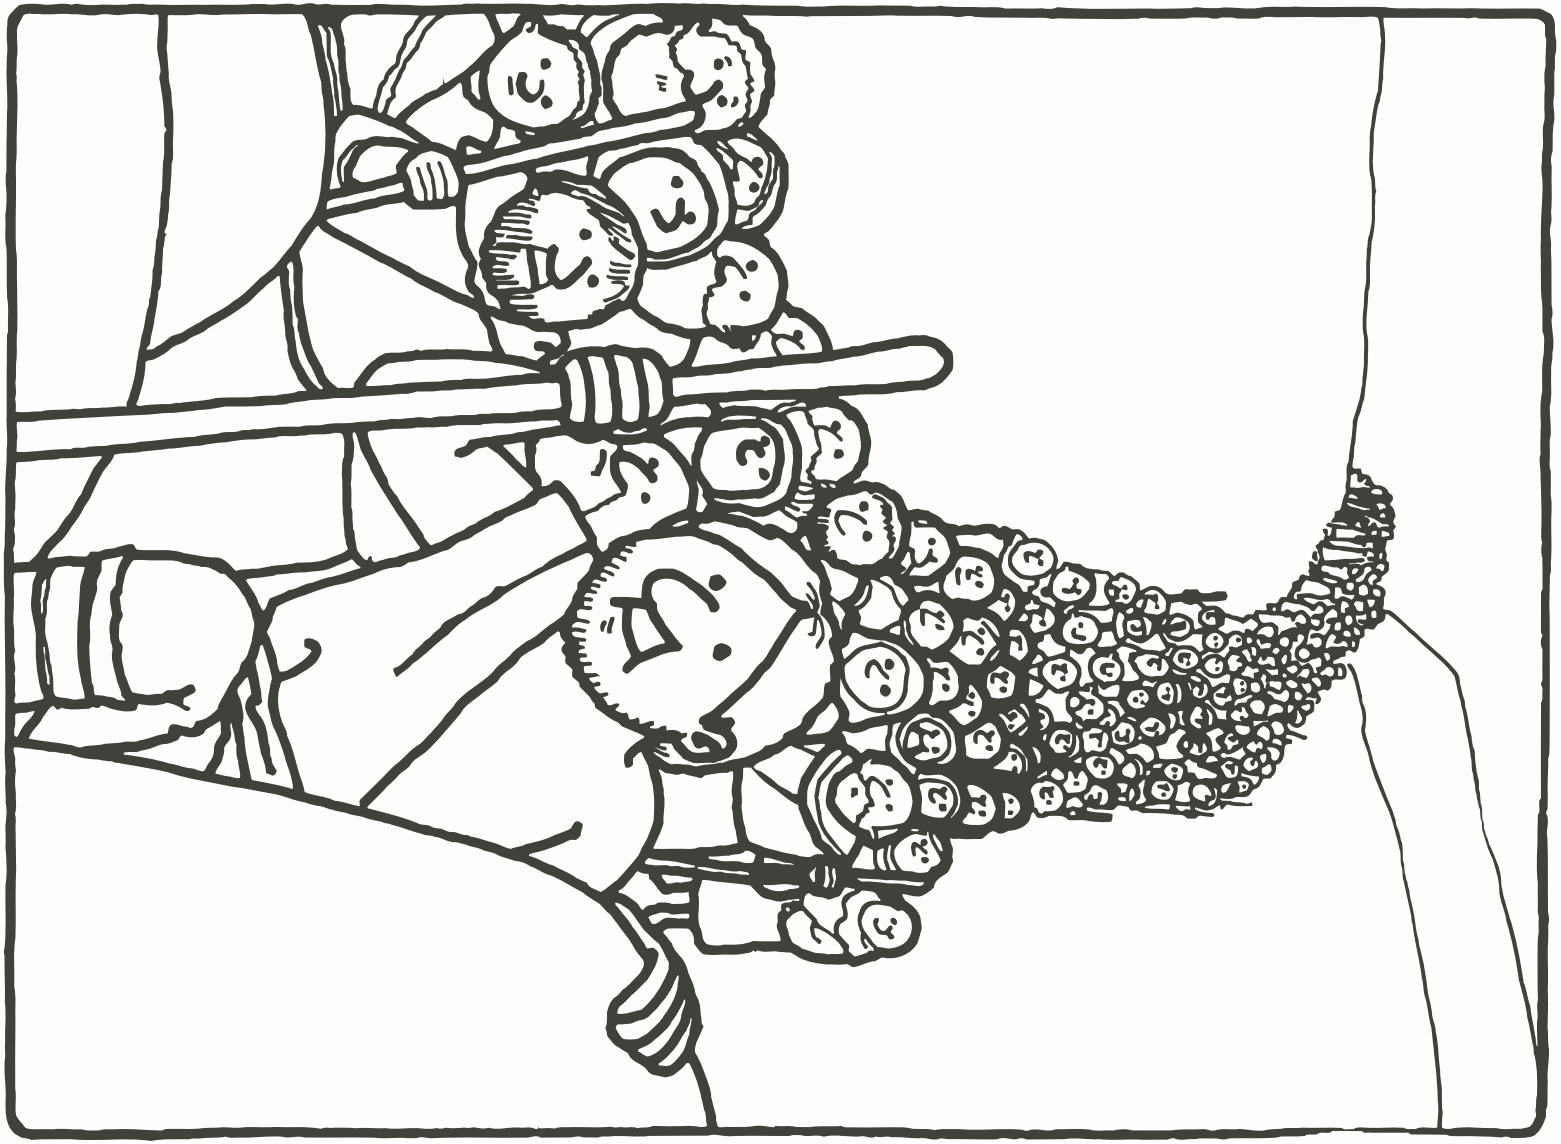
Place Here...

Miriam, asked the princess, "Shall I find a Hebrew woman to nurse the baby?" The Princess agreed, so Miriam fetched her mother. The baby was named Moses.



Place Here...

When Moses was older he went to live in the palace with the princess. But he knew he was a Hebrew and that his own people were slaves to Pharaoh.



Place Here...

"Just give Moses a few more years to grow into a fine strong man", God thought to himself, "then he will lead the Hebrews - my special people - to freedom in the Promised Land".
