4. Now do this to the rest of the pictures in the story

6. Fold the pictures up from the bottom, using the Sellotape hinges one on top of the next until front cover is the only picture on show.

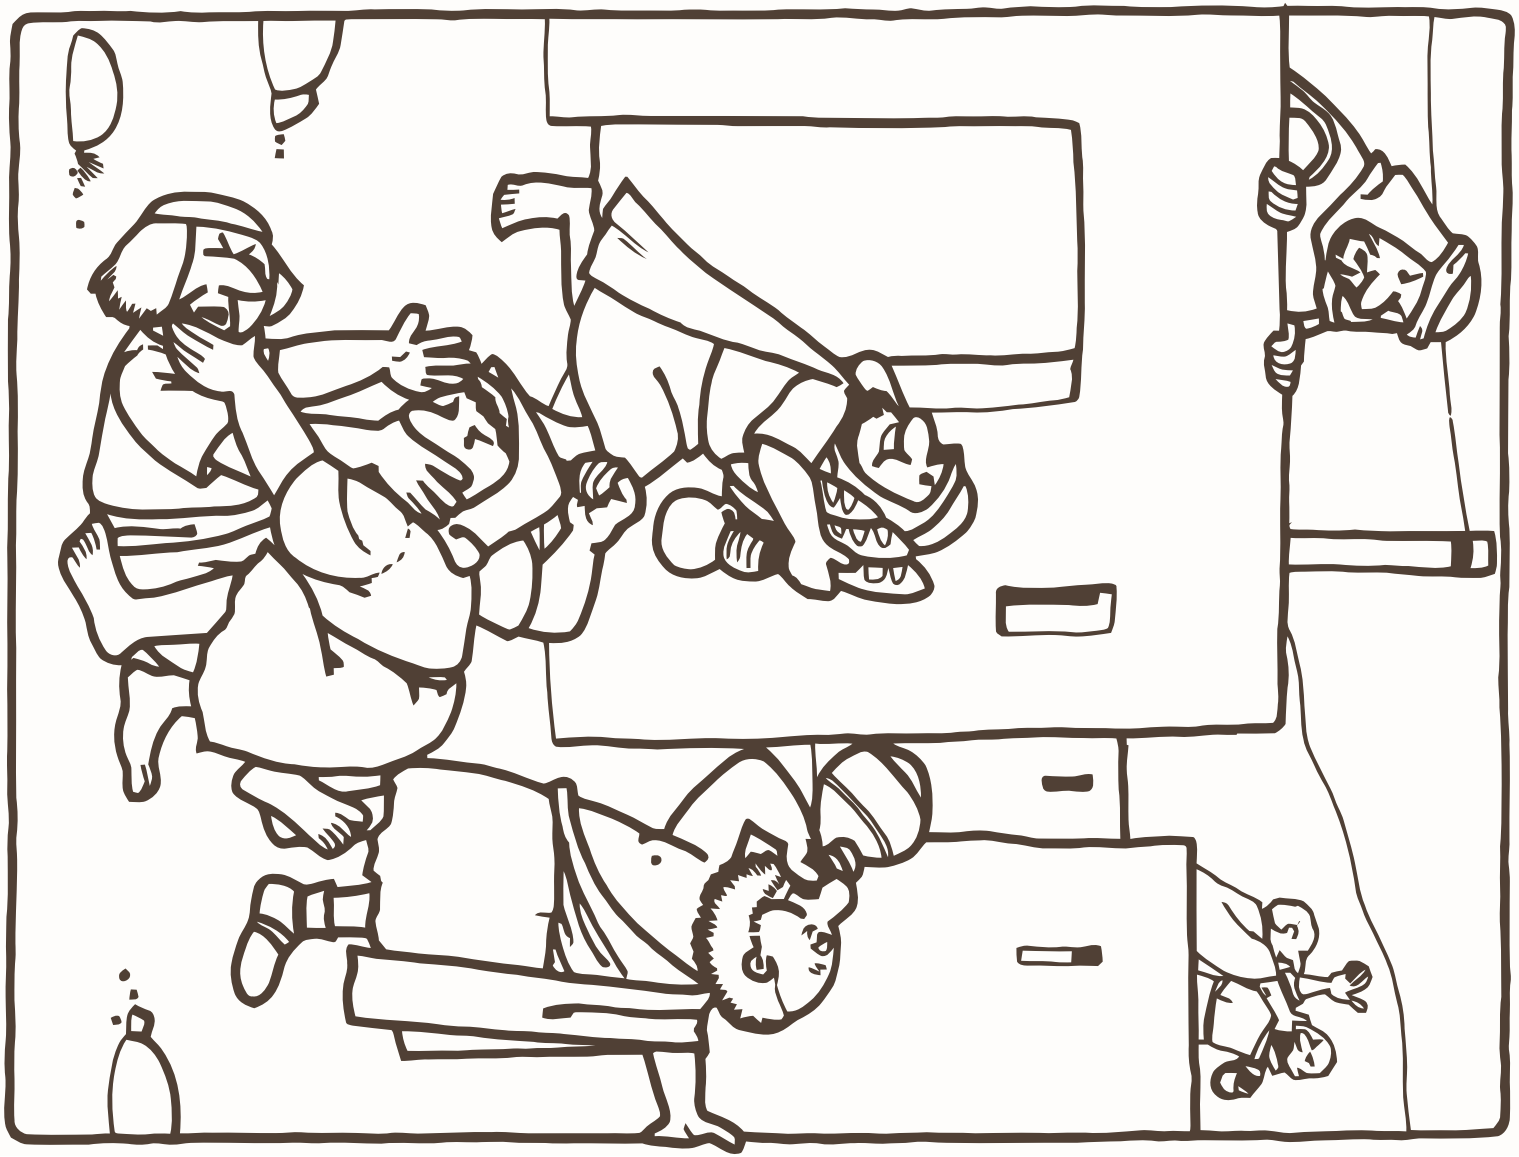
7. Hold up your strip by the top cover and let go of the pictures behind, keeping hold of the top cover. The pictures should tumble down showing a great colour story!

TUMBLEDOWN

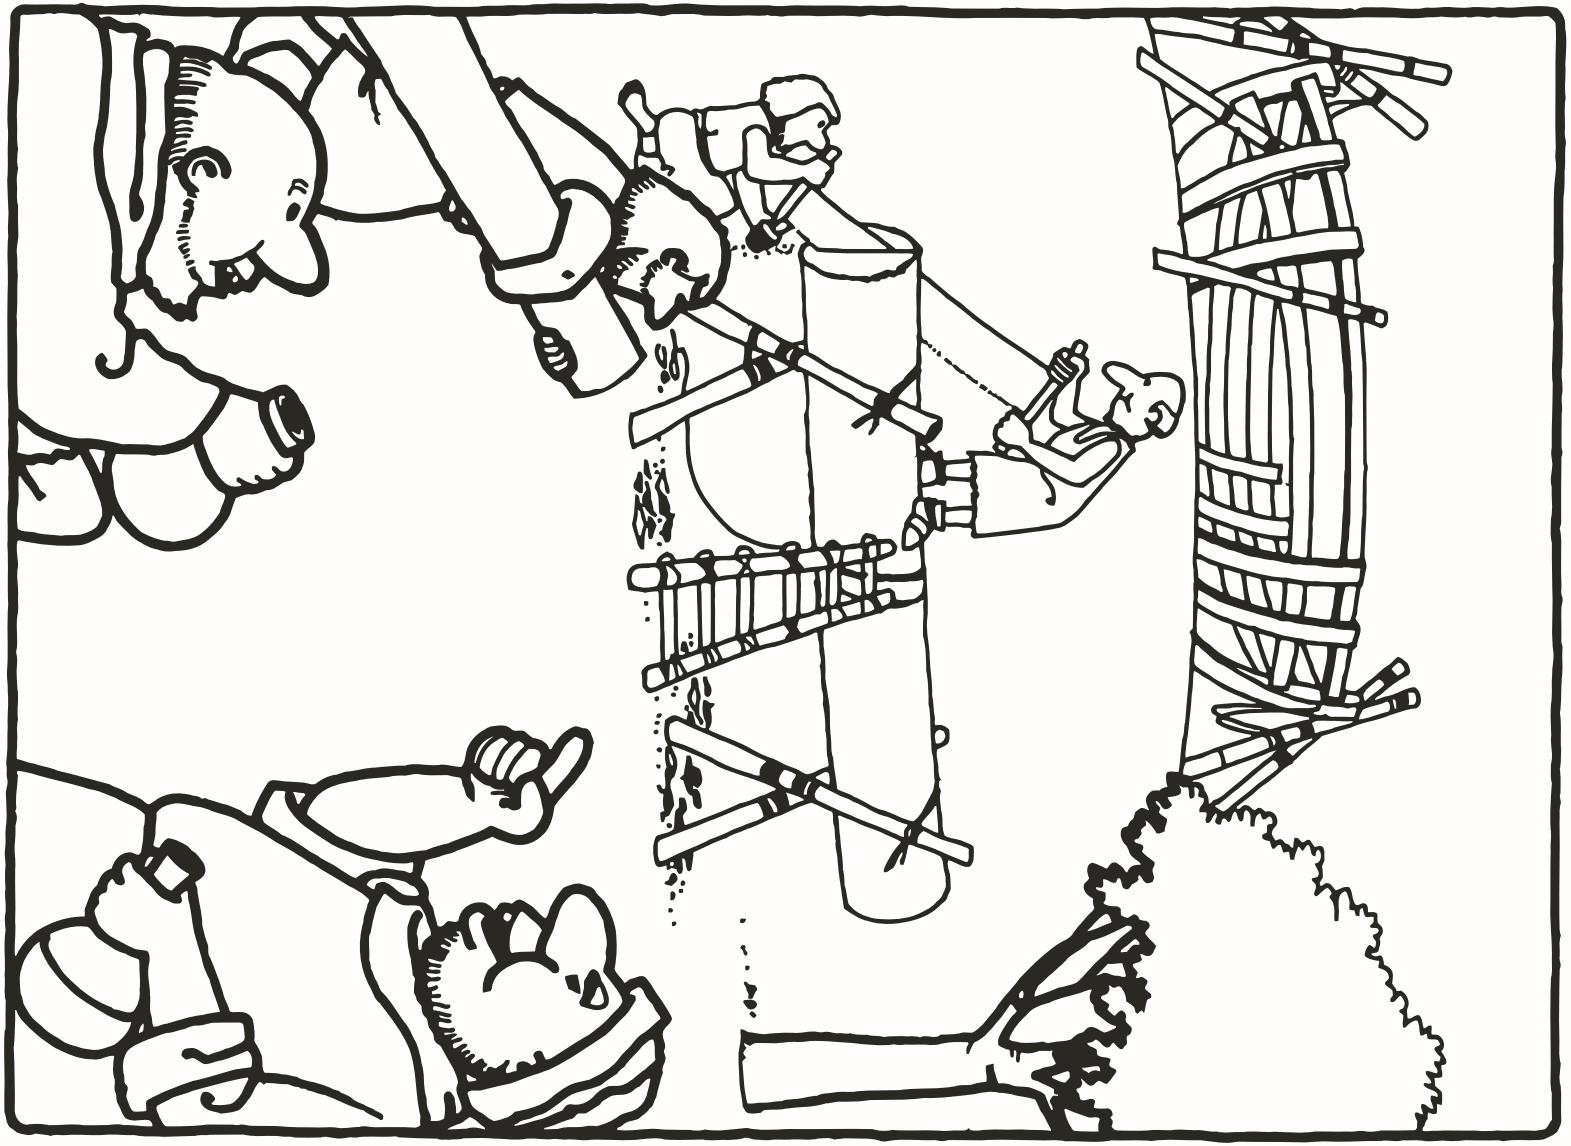
Place Here...

Noah was a farmer and he trusted God in all things.

Place Here...



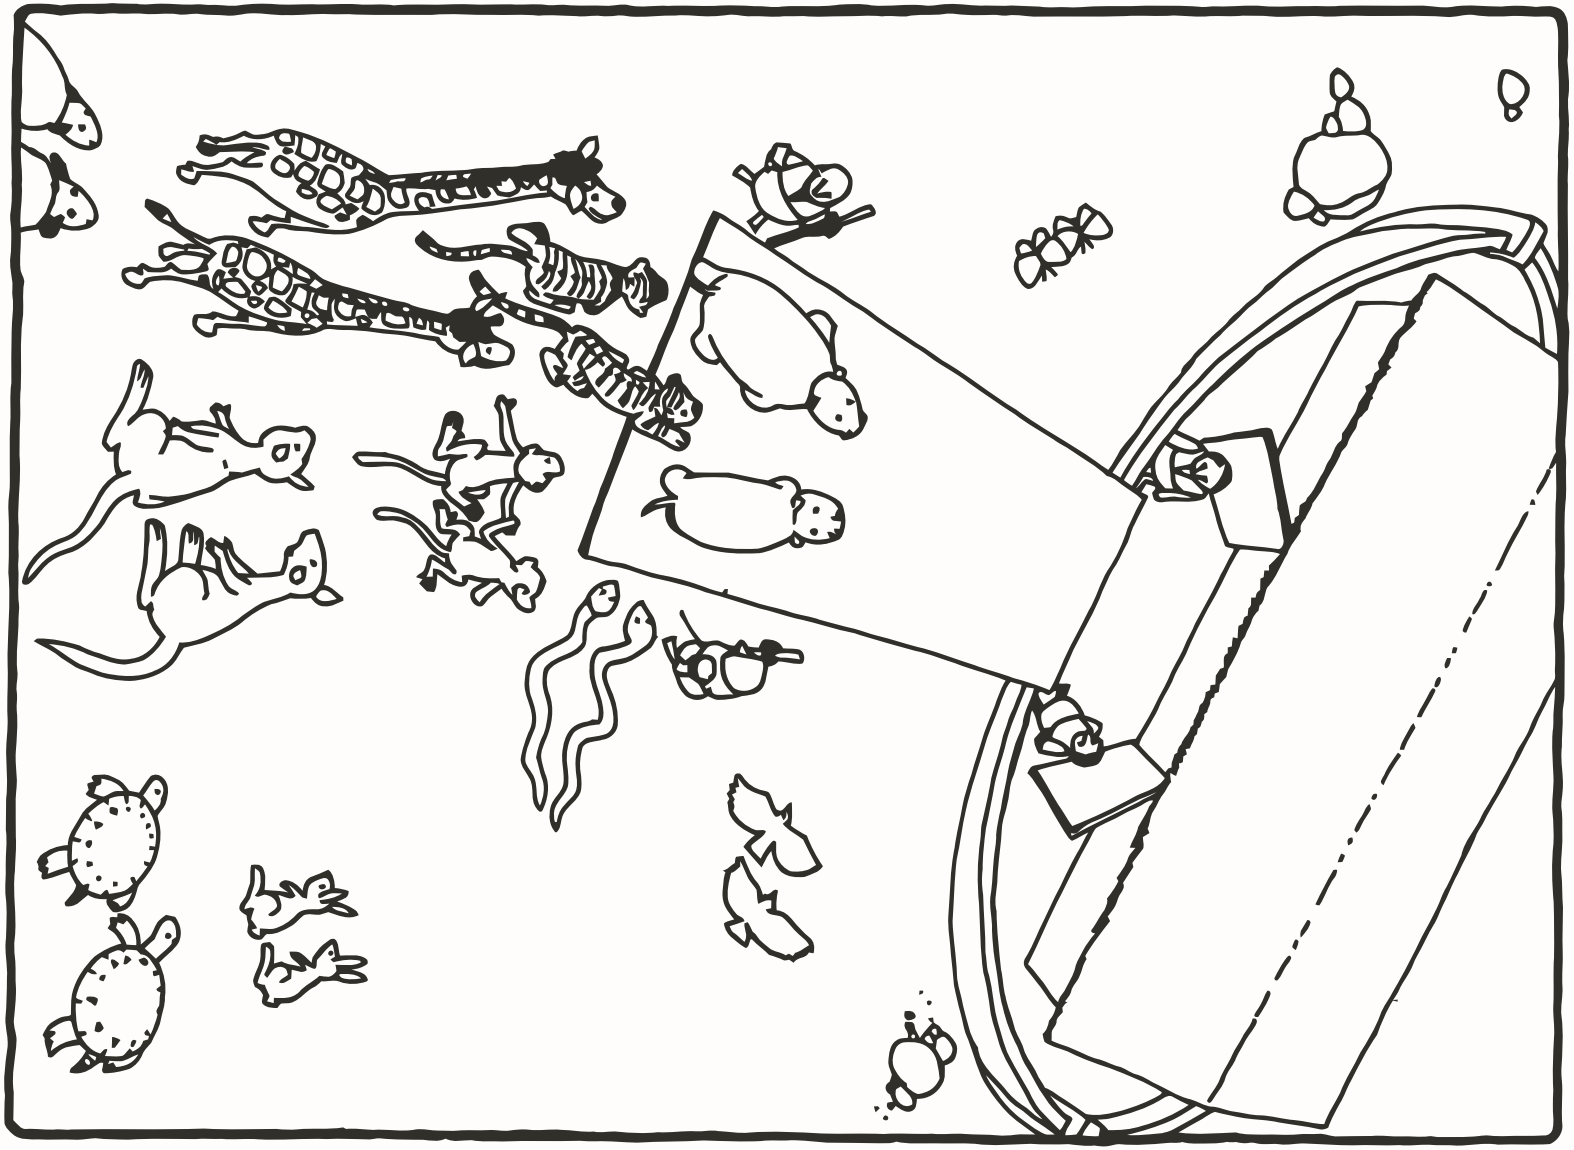
But the rest of the people were very wicked and did not listen to God.



Place Here...

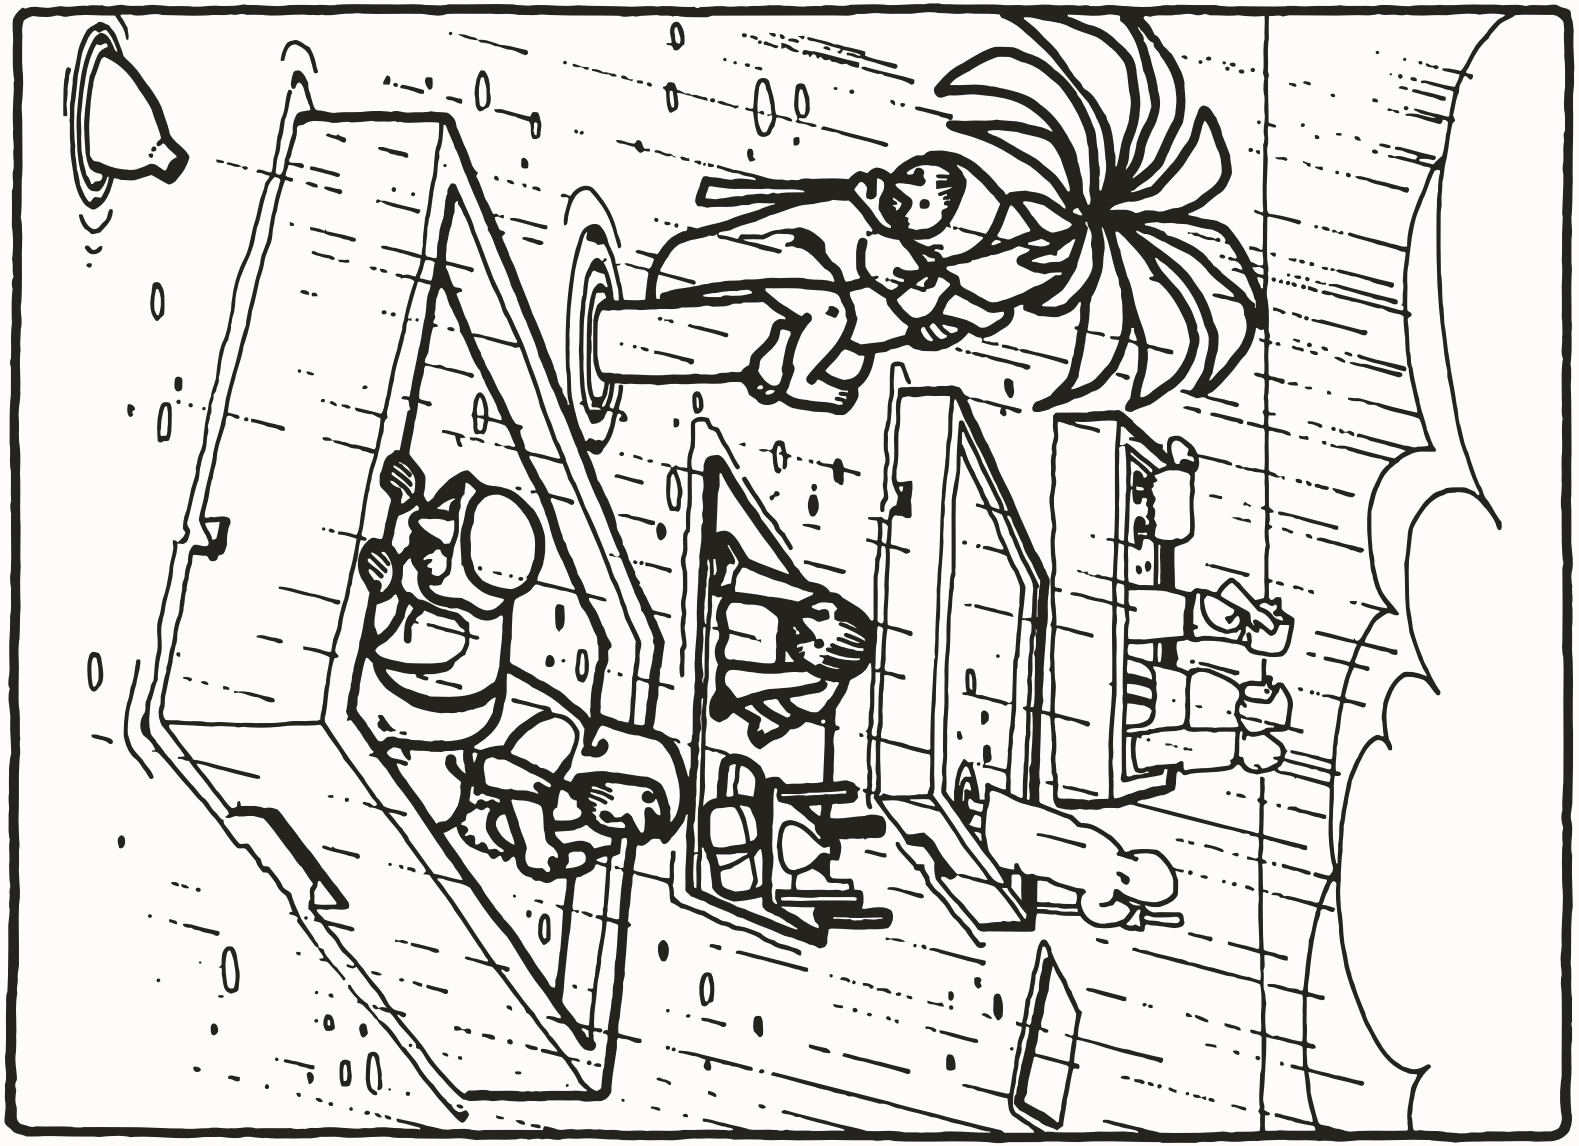
God spoke to Noah: "Noah, I want you to build a very big boat".

Place Here...

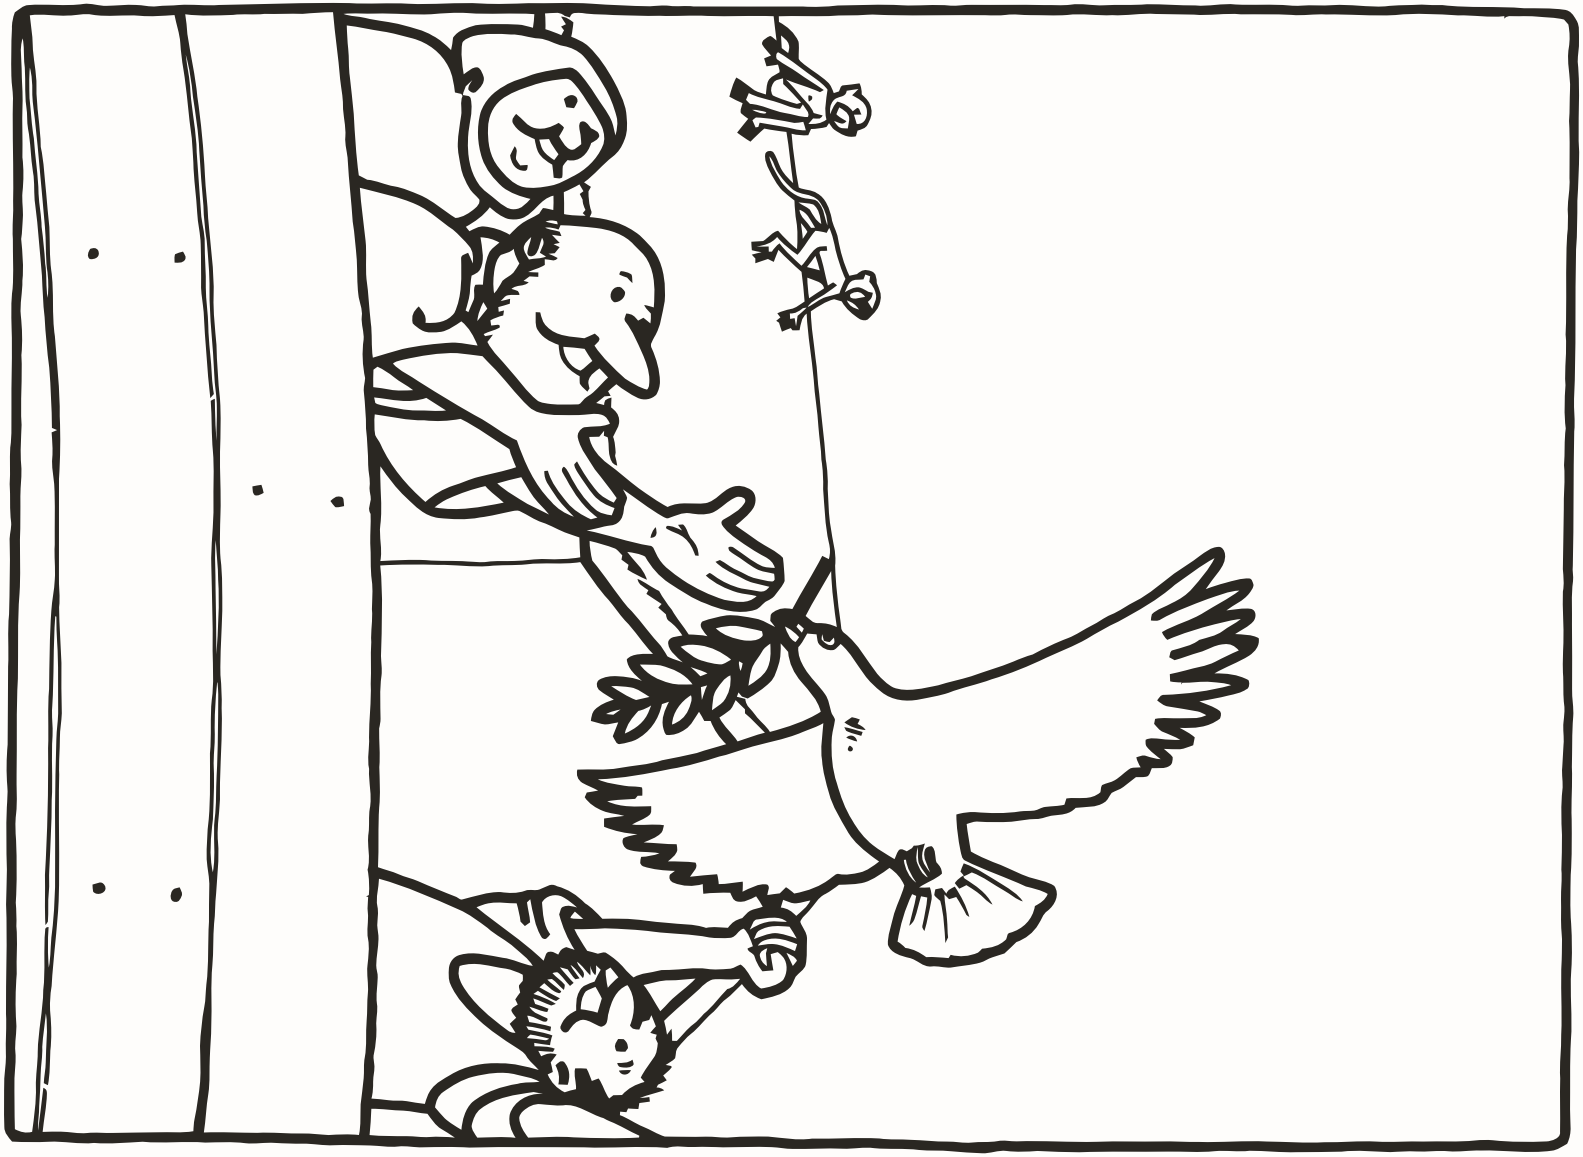


Then God said: "Noah, load the boat with lots of food and round up the animals". So Noan and his family got the animals in, two by two.

Place Here...



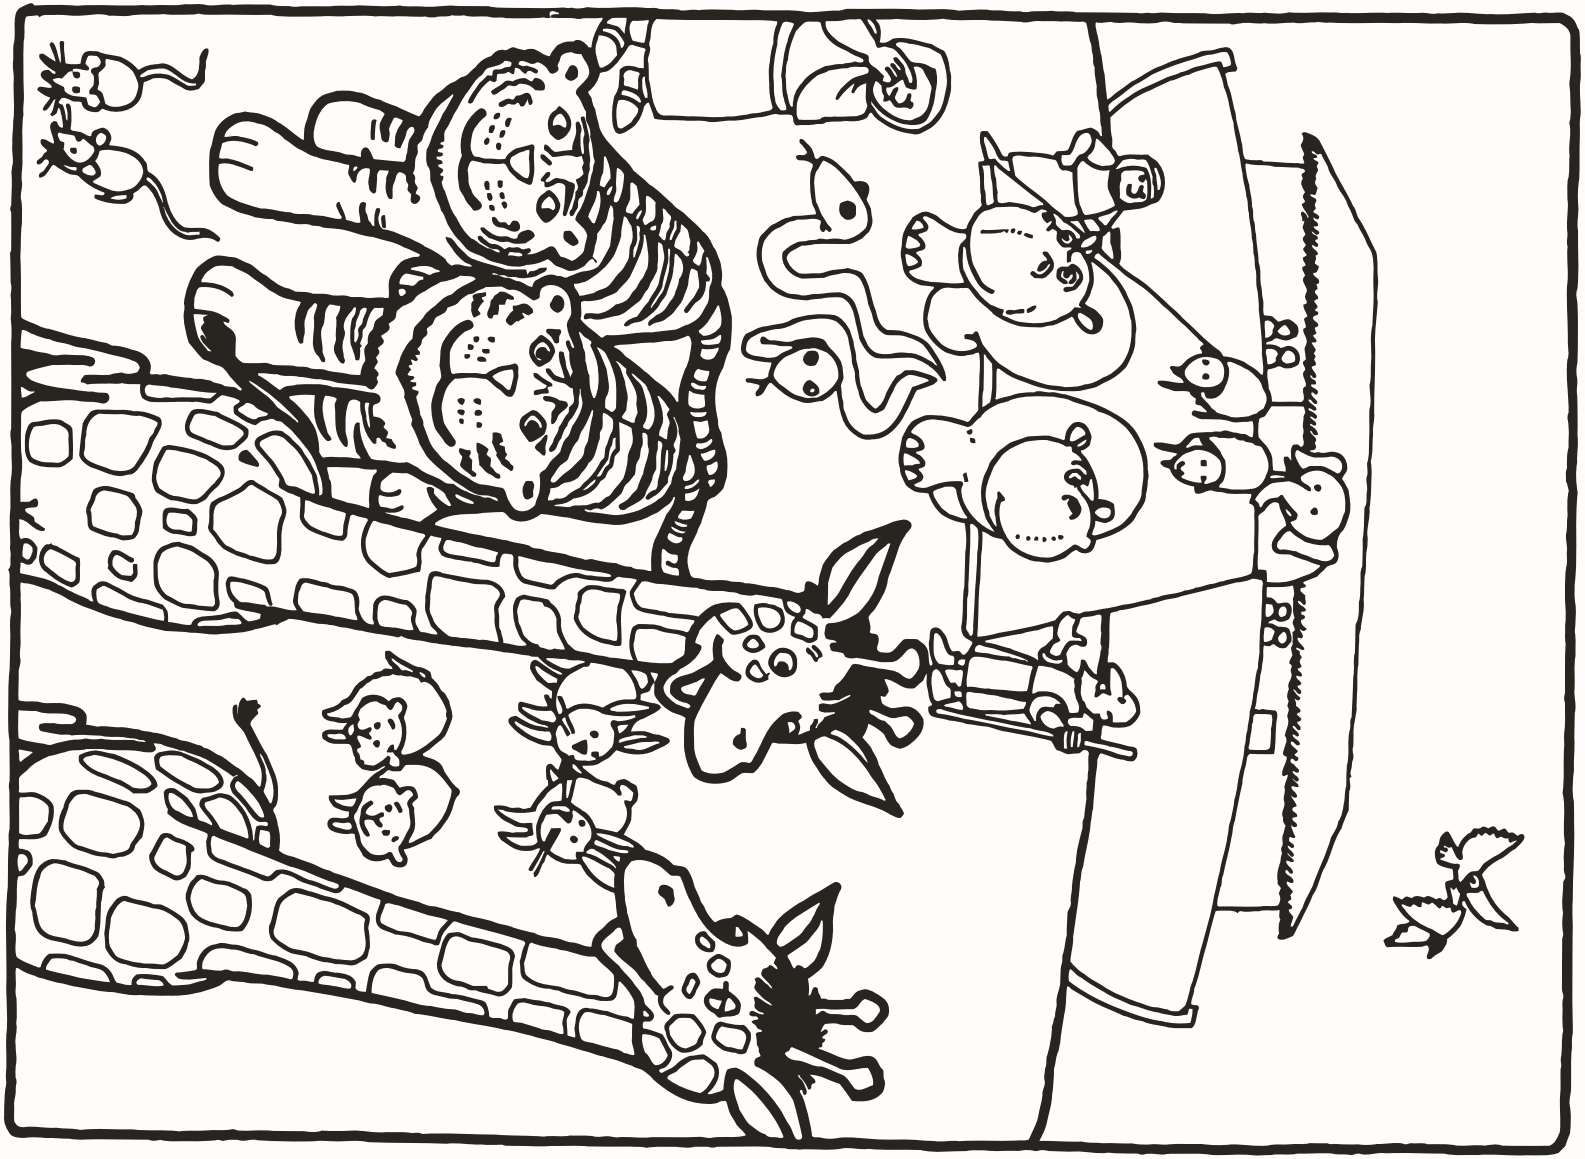
Then the first drops of rain fell. The rivers began to rise and burst their banks; the seas were raging storms; the towns were flooded. Soon, even the trees and mountains were covered by water.



Place Here...

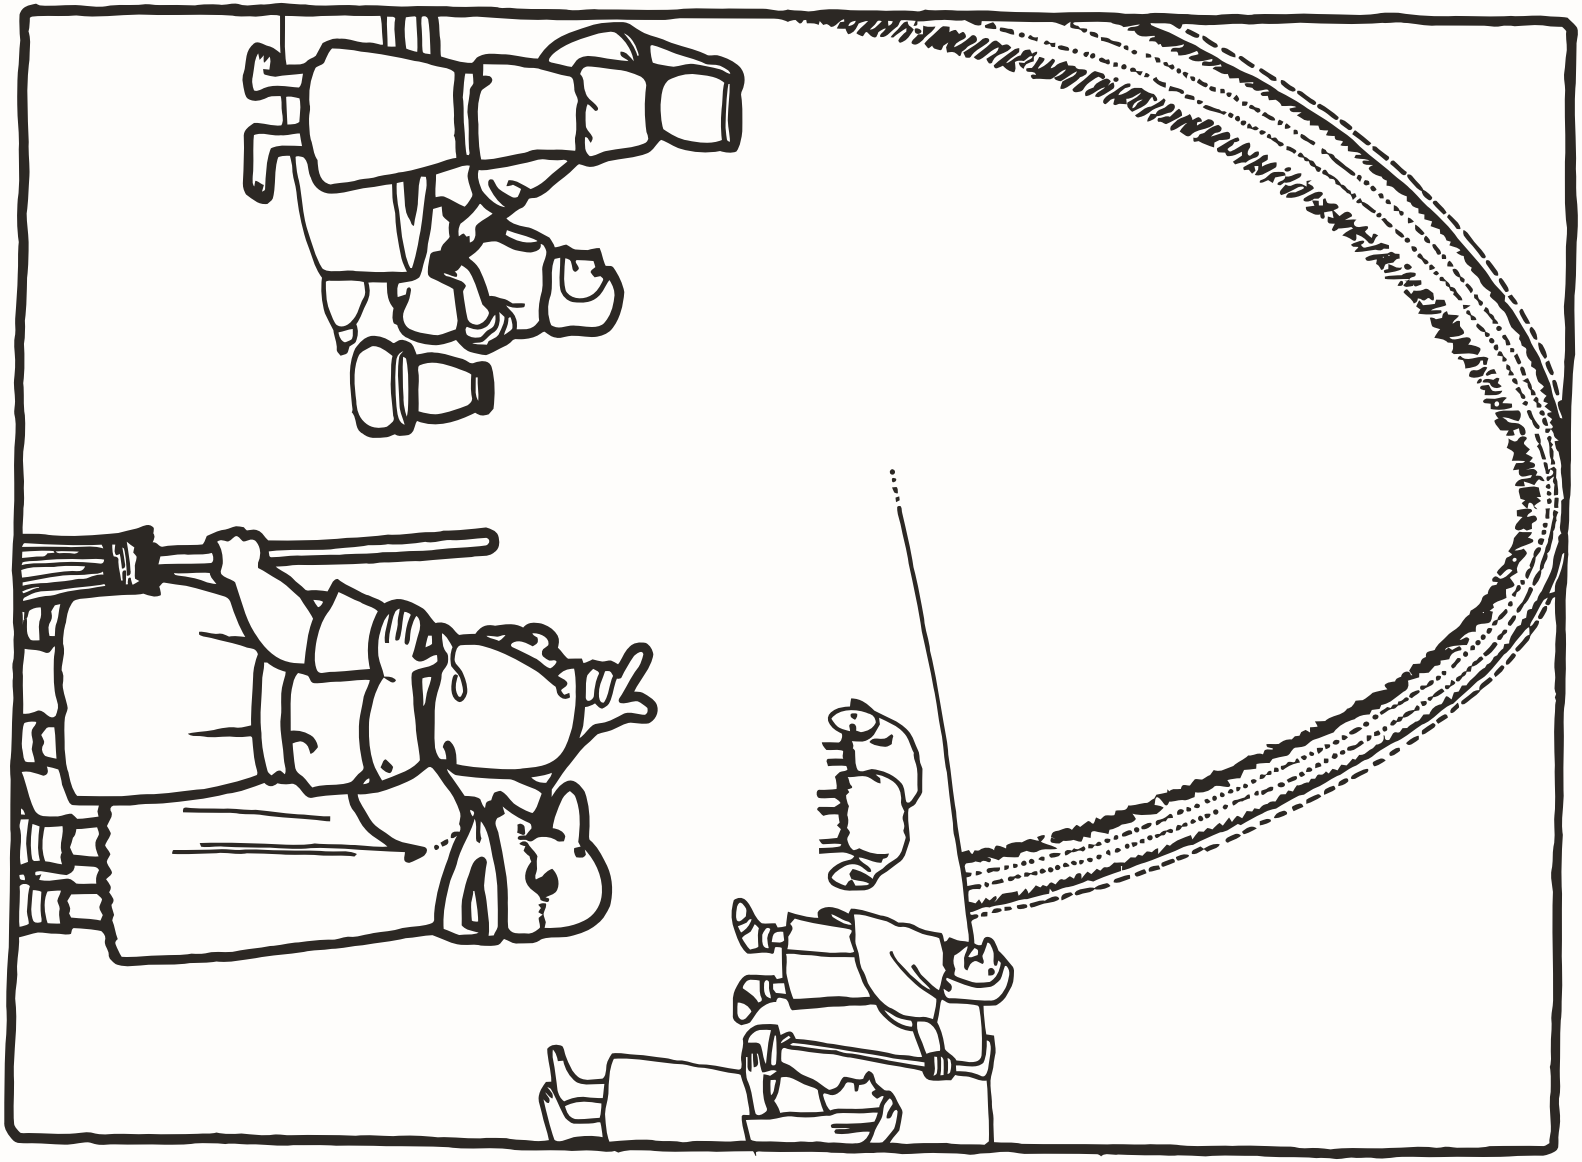
At last the rain stopped. Noah sent out a dove and she came back with an olive leaf in her beak!

Place Here...



A few weeks went by before the land was dry enough to stand on. Then God told Noah to open the door and let out the animals.

Place Here...



God promised Noah and his family he would never again send such a big flood. He put a rainbow in the sky as a sign of his promise.
