
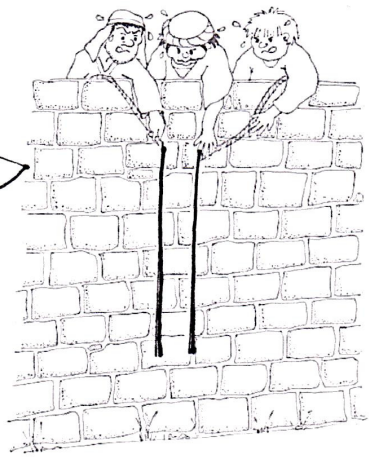
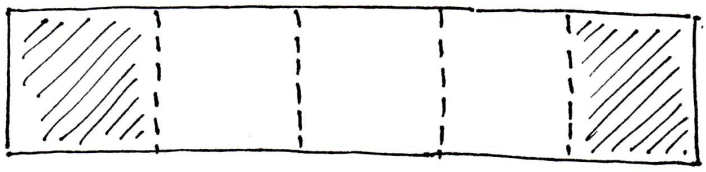
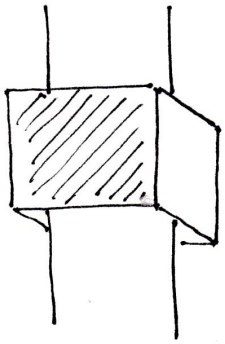
Print out the wall picture. Colour and then cut along the two black lines in the centre



Cut out this strip of paper and fold along the dotted lines.



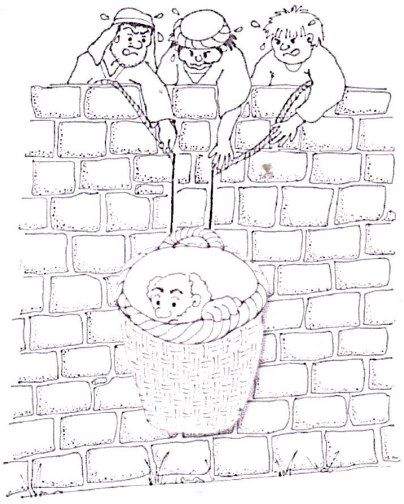


Feed strip of paper through the slits on the wall. Glue the shaded area's together. Turn the shaded part to front of picture

Cut out and colour basket.

Glue basket on to the shaded area in front of picture

Well done! Your picture should look like this



Hold picture with left hand
Place your forefinger through the loop at the back and move basket up and down

Have fun!
